Subject: Price Increase

Dear Valued Customer,

Due to the increasing cost of raw materials, freight and labor cost we are forced to raise our list prices for the following product groups.

Effective July 5, 2021	% Increase
• Domestic Leaded and Lead-Free Fittings	10%

New copies of the list prices increase will be available to download from our website by July 1, 2021. Please note that your current discount multipliers will remain in place.

Orders placed by the end of the business day on Friday July 2, 2021 will be honored at current pricing.

To continue providing you with the level of service that you expect, order fulfillment and customer service transactions will continue to be managed separately by the existing teams at Trenton. Please send inquiries or orders on Trenton products to:
