To our Valued Partner:

Due to continued escalating inflation in raw materials and logistics nVent CADDY, ERICO, and ERIFLEX are implementing an average 5% list price adjustment effective March 19<sup>th</sup>, 2021. Actual adjustments implemented vary by brand, product family, and SKU.

Orders received before midnight March 18<sup>th</sup>, 2021 for delivery prior to April 18<sup>th</sup>, 2021 will be invoiced at the pre-price adjustment levels. Orders with scheduled shipments beyond April 18<sup>th</sup>, 2021 will be reviewed for possible price modification.

Updated price lists and supporting documents will be made available by February 1<sup>st</sup>, 2021.

nVent is committed to mitigating these inflationary pressures while providing a reliable supply chain and superior quality. Thank you for your partnership and continued support of nVent CADDY, ERICO, and ERIFLEX,
