To our Valued Customer,

Thank you for your business and continued support of our National Fire Products brand. We are dedicated to delivering you the highest quality products and services. **National Fire Products continually works towards controlling our costs, but costs including shipping/freight, raw materials, insurance and labor costs have been rising and we are unable to absorb these increases moving forward.**

Effective July 19th, 2021, National Fire Products will implement a price INCREASE on National Fire Products Pilot Clamps, Resi-Risers, Resi-Pac Risers and accessories ranging from 10% - 25%.

List Price Changes are identified in the chart below – Effective July 19th, 2021

PRODUCT/CATEGORY	AVERAGE LIST PRICE CHANGE %
Pilot Clamp, Resi-Risers, & Resi-Pac Risers	10%
Valves, Flow Switch & Accessories	20%

All open orders must be placed prior to July 19th, 2021 or will be subject to the increase. If you have an outstanding job quote for included products, contact your local National Fire Products Associate for any potential pricing impact.

If you have questions regarding this notification, please contact your National Fire Products representative.

We appreciate your partnership and continued support as we continue to provide the quality and value that you have come to expect from National Fire Products.

Sincerely,

Gerrit von Holt
