Dear Valued Customer,

RE: Price Increase

SPP/Elite Components will be increasing our Price list June 1, 2022, by the following due to increases in ocean freight costs and raw materials:

All SPP Products 10%
Ductile Iron Threaded Fittings
Cast Iron Threaded Fittings
Malleable Iron Threaded Fittings
Threaded Nipples
Welding Plate Flanges
Threaded and Grooved Welding outlets
Brass Trim Valves and Accessories
UL/FM OS&Y and NRS and Fire Valves
Grooved Fittings

Any SPP/Elite Components orders placed on or after June 1, 2022, will be invoiced using the new list price. If you have any further questions, please contact your manufactures representative or regional sale manager, and thank you for your continued support.

Sincerely,

Ryan Andersen
