

December 28th, 2020

Dear Valued Customer,

RE: Price Increase

SPP/Elite Components will be increasing our Mechanical Price List on February 1st, 2021 and all SPP products will increase March 1st, 2021, by the following due to increases in freight costs and raw materials:

<i>Pipe Hangers & Strut Accessories</i>	<i>7%</i>	<i>February 1st</i>
<i>Split Ring Hangers</i>	<i>10%</i>	<i>February 1st</i>
<i>Stainless Steel Products</i>	<i>7%</i>	<i>February 1st</i>
<i>All SPP Products</i>	<i>7%</i>	<i>March 1st</i>

Ductile Iron Threaded Fittings

Cast Iron Threaded Fittings

Malleable Iron Threaded Fittings

Threaded Nipples

Welding Plate Flanges

Threaded and Grooved Welding outlets

Brass Trim Valves and Accessories

UL/FM OS&Y and NRS and Fire Valves

Any SPP/Elite Components orders placed on or after February 1st, 2021, will be invoiced using the new list price. All SPP Products orders place on or after March 1st, 2021 will be invoiced using the new list price. If you have any further questions, please contact your manufactures representative or regional sale manager and thank you for your continued support.

Sincerely,

Ryan Andersen
