Re: Price Increase January 2<sup>nd</sup> 2023

United Brass Works will be issuing new List price sheets with an effective date of January 2<sup>nd</sup> 2023. This price change is driven by increased costs in labor, insurance, freight and other operating expenses and averages 5% across our product lines. New List price sheets are available for download from our website at [www.ubw.com](http://www.ubw.com).

All orders that are placed and scheduled to ship on or before Friday, December 30<sup>th</sup> will be honored at current prices. Any orders that have already been accepted which have ship dates scheduled after December 30<sup>th</sup> will also be billed at current prices.
