Re: Pricing Revision Effective January 6th 2025

Steve:

United Brass Works Inc. will be issuing new List price sheets covering all items in our product line with an effective date of January 6th 2025. This increase will average from 3.5% to 6% across our product line except where adjustments to margin are necessary. We extend Ferguson Fire 60 days advance notice on any price changes to make sure you have adequate notification. New List price sheets will be available shortly on our website at www.ubw.com.

Attached is an Excel file which details your Net costs as of 1/6/25. All orders that are placed and scheduled to ship on or before 1/3/25 will be invoiced at current prices. Any items that may be on backorder as of that date will also be invoiced at current prices.

Should you have any questions, please feel free to contact me at 800/334-3035 ext. 235.

Thank you,

Kathy Trogdon
