Dear Fayette Pipe Customers:

Due to increases in raw material costs, Fayette Pipe will be increasing steel pipe prices by \$200 per ton on all standard and sprinkler pipe products effective immediately.

Orders currently on our books will remain price protected. This increase applies to all unconfirmed quotes and contracts. New price sheets will be sent to you reflecting the increase and will be adjusted for any changes in freight rates.

We would like to thank you for your support. Please feel free to contact us with any questions you may have.

Sincerely,

Chris Gearing  
Vice President  
Fayette Pipe Company
